

## **Dear Potential Sponsor:**

**Oakridge Optimist Soccer Club** is one of the largest soccer clubs in London with participation of over 1600 players aged 5-18 years. Within the Oakridge club, we offer competitive soccer programs for boys and girls of many different age groups. These programs focus on skill and strategy development for those children interested in taking soccer to a higher level. Our competitive registration fees remain the lowest in London, which allow us to offer these competitive programs to many families. Our success is primarily due to the dedication of our volunteers and to community sponsors.

We would like to request your **financial support** for this very worthwhile youth competitive Program - specifically for the **U15 Boys Competitive Teams (L3 and L5)**. Gold and Silver sponsors will have their company name and logo printed on team practice jerseys and the team banner. This will provide high profile advertising for the business. Near the end of the season, sponsors will receive a picture plaque of their sponsored team and their business will also be listed on the sponsorship page of the Oakridge Soccer website and the Thunder Team website with a link to the sponsor's website.

**There is no sponsorship deadline, but we recommend that you commit to sponsorship by April 1<sup>st</sup> in order to have the logo put on the team banner and practice shirts.** If you wish to support this exemplary Competitive Program, please complete the enclosed form and mail or e-mail it to Oakridge Soccer (*contact info on page 3*). To avoid disappointment, you may contact me directly by e-mail ([mpalarchio@ldcsb.ca](mailto:mpalarchio@ldcsb.ca)) to reserve sponsorship of a team.

**Thank you** for considering sponsorship of Oakridge Optimist Boys U15 Competitive Soccer for 2018. Without your help, we would not be able to offer such an affordable, healthy experience to so many of our youth.

Sincerely yours,

MaryLynn Palarchio
